

12th July 2021

Dear parents and carers,

A **GREAT BIG** thank you to the **15** parents who took time to give us valuable feedback by completing the questionnaire about our nursery, which was live from 21st June to 9th July. By giving your views, you help our pre-school provision continually improve. The completed responses were **overwhelmingly** positive about all areas of nursery life and reiterate what children, staff, governors and inspectors said in their most recent surveys, visits and inspections.

Here is just a selection of the supportive and encouraging comments which were made:

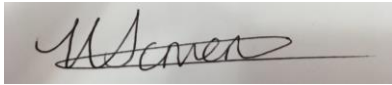

- **The staff in nursery are all amazing and so helpful. My son loves playing in the outside area.**
- **We are really happy with the nursery and our daughter really enjoys it. Challenging times but we have no complaints at all.**
- **Miss Statham and Mrs Robinson have been brilliant with my son. He progresses more each day and always praises his teachers and tells me how happy he is. Not only that, the teachers support me as well as my son, and I am thankful for them.**
- **I honestly can't praise this nursery enough. I will be forever grateful for how you have helped my son to come on in leaps and bounds and have always gone above and beyond to support not just him but myself too.**
