

Returning to School After Christmas

My name is _____ and I

am _____ years old.

My school is called _____ .

For the past two weeks, I have not been at school. I have been staying at home with my family. During this time, I have been having fun and playing games. All of my friends from school have also been staying at home.

Now it is time for me to go back to school to see some of my friends and do my schoolwork.

My teachers and friends will be happy to see me back at school.

When I go back, most things will be the same as last term. This is to keep me safe. I might find some things difficult but my teacher will be there to help me. Everyone finds some things hard. This is OK.

- At break times and lunchtimes I will still need to play with the children in my class bubble.
- I might eat my lunch in the classroom or maybe in the hall.
- We will still be sitting in rows in the classroom.

- I must keep washing my hands for at least 20 seconds.
- If I am going to sneeze or cough, I must do this into a tissue then put the tissue in the bin and wash my hands.
- I must try to stay two metres away from my friends and teachers.

Going back to school will be fun as I will get chance to learn lots of new things and to see friends. I must try to remember the rules to keep me safe. My teachers will be proud of me for trying hard at school.
