

Langley Mill Infant & Nursery News

Spring 2 2023

Welcome back to school everyone, we hope you all had a lovely half term break. We are looking forward to a fantastic term with lots of exciting learning happening. We have already had some exciting events in the first week back for World Book Week.

World Book Day

It has been fantastic to see all the children dressed up and joining in with some exciting World Book Day activities, thank you for putting so much effort into the costumes. As you may be aware our theme this year was based on the book 'The Greatest Cake' by Kerry Dilks who was the author that came to do workshops for all our classes.

Fond Farewell

It is with great sadness that we wish Mrs Gordon a fond farewell at Easter.

She has been working at the school for 20 years and has so many happy memories. She has made the decision to take on a new challenge with Rolls Royce.

I am sure you will join us in wishing her all the best of luck in her new challenge and thanking her for all the time she has given to this school. She will be greatly missed by us all.

A letter with more details about arrangements for the summer term will go out next week to the parents of children in Super Satin Mice Class.

Attendance

This is a reminder that the government expectation is for all children to have attendance of 96% or more.

Please can you try really hard to ensure your child is attending school and on time (lateness can also affect their attendance rate too). Remember to let the office know before school if your child is unwell so we can log it.

Thank you

- Breakfast Club - 8am
- Nursery - 8.45 am - 11.45 am / 12.30 pm - 3.30 pm
- School - 8.55 am - 3.25 pm (bell rings at 8.50 am).

Mrs Gardner has a Twitter Page where she will post about what we are getting up to in school as well as still using our facebook page. Please follow us on @MrsGardnerLM1

Comic Relief

For Comic Relief this year we will be doing activities in class and children can come to school wearing something red for the day, in exchange for a donation.

To save you having to send cash in we ask that you make your donation using Parent Pay please. All you need to do is click on the link below and it will take you straight to the donation page.

Thank You

We just wanted to say a huge thank you to all of you for your support. It is fantastic being able to work with you all to support your child's learning.

It was great to see so many of you at the parent consultations last term. Please don't hesitate to contact us if there is anything you are concerned about or would like support with.

Charges

A reminder that we are no longer charging for Early Years snacks. We hope this helps a little with the cost of living/inflation. Children will still receive a snack daily.

Please ensure that all payments for after school clubs, nursery lunch times, including meals and Breakfast Club are paid promptly and in advance using Parent Pay. Our School Charging Policy states that, School is not obliged to provide Extended Services provision which include activities and clubs outside of the school day until settlement of any debt has been made. Failure to make payment may result in your child being withdrawn from such provision.
