

Homework Spring 3 2026 – The Fantastic Field Mice

Please complete 3 tasks this half term from the choices below. You must create a line (by colouring in the boxes you have achieved) that goes through the middle. This can be done in any direction (up/down, side to side or diagonally). You must complete the middle one but can then choose 2 others to complete a line. Please colour the boxes for the tasks you have completed. You can send completed tasks into school or take photos and put them in your child's portfolio on dojo. If you want to do more than 3 tasks, please feel free to do as many as you want.

Thank you and I look forward to seeing what you do at home.
