

Homework Spring 4 2026 – The Fantastic Field Mice

Please complete 3 tasks this half term from the choices below. You must create a line (by colouring in the boxes you have achieved) that goes through the middle. This can be done in any direction (up/down, side to side or diagonally). You must complete the middle one but can then choose 2 others to complete a line. Please colour the boxes for the tasks you have completed. You can send completed tasks into school or take photos and put them in your child's portfolio on dojo. If you want to do more than 3 tasks, please feel free to do as many as you want.

Thank you and I look forward to seeing what you do at home.

<p>Find out about a famous explorer, where did they go? Did they discover anything new? Draw or write about what you find out.</p>	<p>Where would you like to explore? Draw or write about the place you would most like to explore, would it be space, the oceans, a huge desert or a jungle?</p>	<p>Build your own mini explorer kit using things you have at home, would you need a map, a torch, and a sleeping bag? You can take a picture or draw your kit.</p>
<p>Start a diary about what you do each day, add something new every day for a week to see just how much you do!</p>	<p>Read 5 times a week, every week and record in the reading record.</p>	<p>Can you find objects around your house that are smaller and taller than you? Sort them into two groups and take a picture.</p>
<p>Play Hit the Button Times Tables using 2, 5 and 10 times table, how many can you get in 1 minute? https://www.topmarks.co.uk/maths-games/hit-the-button</p>	<p>Create a picture of a place that you would like to explore in any way that you chose, it can be painted, collaged, coloured, the choice is yours!</p>	<p>Go for a walk around where you live, can you discover something new that you haven't noticed before? Are there animals prints on the ground, a new tree growing, new houses being built? Take a picture of what you find.</p>
