

English

Writing at Langley Mill C of E Infants and Nursery School.

"In the beginning was the Word, and the Word was with God, and the Word was God."

What lessons look like:

English lessons are based on quality texts that have been specifically chosen. Key Stage 1 National Curriculum Learning objectives are met through the long-term plan. We aspire to provide a high-quality English education which will teach our pupils to speak and write fluently so that they can communicate their ideas and emotions to others and through their listening and reading ensure that others can communicate effectively with each other.

Early Years Foundation Stage

Our EYFS is a rich environment of communication and language with opportunities for discussions and conversations.

- Fine motor skills including dough disco and funky fingers. tracing and overwriting opportunities within the provision support children on their writing journey.

Key Stage 1 (Super Satin Mice and Fantastic Field Mice)

In year 1 and 2 the children orally rehearse their sentence before writing a sentence and building upon words with their phonics knowledge.

In year 1, the children start writing a sentence with a capital letter at the beginning and a full stop at the end. We encourage the children to write with their best handwriting and read their sentence to ensure it makes sense.

In year 2, they build upon this with a wider range of grammar and punctuation.
