

Homework Autumn 1 2026 – The Fantastic Field Mice

Please complete 3 tasks this half term from the choices below. You must create a line (by colouring in the boxes you have achieved) that goes through the middle. This can be done in any direction (up/down, side to side or diagonally). You must complete the middle one but can then choose 2 others to complete a line. Please colour the boxes for the tasks you have completed. You can send completed tasks to school or take photos and put them in your child's portfolio on Dojo. If you want to do more than 3 tasks, please feel free to do as many as you want.

Thank you and I look forward to seeing what you do at home.

Write as many words as possible using the five split diagraphs that we have learnt a_e, e_e, i_e, o_e and u_e. Bring the list into school or take a photo.	Draw a sketch of what you can see out of one of the windows in your house, is it your garden, the street, a park or something else?	Choose a two-digit number to represent in lots of different ways, you can find objects in your house, draw them in different ways and make them using different sums.
Draw a map of your journey to school, what do you see and go past?	Read 3 times a week, every week and record in the reading record.	Do you know someone who used to work in one of the factories in Langley Mill? Ask them some questions about what it was like.
Design your own Langley Mill pot that could have been made in the pottery.	If you were going to go on a journey in a canal boat like the ones in the canal basin, where would you go? Plan an adventure!	Make a model of building in Langley Mill that is important to you like school, your house or where someone you know works. Use whatever materials you have at home e.g. junk modelling, Lego or Duplo.
